STATUTORY DECLARATION
Registration of Fittings

In this space, show facsimile of mark as it will appear

I, Andy Schirk

Quality Assurance Manager

(company title, e.g. vice president, plant manager, chief engineer)

(must be in a position of authority in the manufacturing plant where the fitting is produced)

of Armstrong International, Inc.

(name of manufacturer)

located at 816 Maple St, Three Rivers, MI 49093, USA

(plant address)

do solemnly declare that the fittings listed hereinafter, which are subject to the **Saskatchewan Boiler and Pressure Vessel Safety Act** (check one)

comply with the requirements of _____ which specifies the dimensions, materials of construction, pressure / temperature ratings and identification marking of the fittings, or

(title of recognized North American Standard)

are not covered by the provisions of a recognized North American standard and are therefore manufactured to comply with Consistent with ASME B313, 2010 Edition as supported by the attached data which identifies the dimensions, materials of construction, pressure / temperature ratings and the basis for such ratings, and the marking of the fittings for identification.

I further declare that the manufacturer of these fittings is controlled by a quality control program which has been verified by the following authority, HSB Registration Services as being suitable for the manufacturer of these fittings to the stated standard. The fittings covered by this declaration, for which I seek registration, are Category E type fittings

In support of this application, the following information, calculations and / or test data are attached:

Series 1000 Drawn Stainless Steel Steam Traps, Drainers, and Vents - see page 2 for details
